

A close-up photograph of a DeWalt automatic taping machine. The machine is a complex assembly of metal parts, including a pump mechanism on the left and a dispensing nozzle on the right. It is applying a thick, white adhesive to a yellow metal rail. The background is dark and out of focus. The text "Automatic Taping" is overlaid in a dark blue box at the top left, and "Tool Hire" is overlaid in a dark blue box below it.

WHY HIRE?

If you are looking to level up your career and become an industry leader in your craft, then automatic taping tools could be the answer. There are several benefits to using automatic taping tools versus traditional drylining tools, all of which lead to increased earnings. Whilst hand tools are a craft in their own right, automatic taping tools offer further precision and incomparable speed. Tape and finish your corners and flat walls seamlessly with automatic taping tools.

Automatic Taping Tool benefits include:

- Easier to use, easier to reach heights
- A seamless finish
- A faster method of working
- Quicker to run and perfect
- More time to complete other work, more time to make more money

Purchasing automatic taping tools is an expensive investment into your business. Gypsumtools offer 3 industry leading automatic tool brands for hire, prices start as low as 18p per day, allowing individuals and businesses alike to hire automatic taping tools at a cost saving opportunity or is a perfect option for trialling automatic taping tools before buying.

Hiring benefits include:

- More cashflow friendly
- Delivery and collection are available
- Tools are repaired and serviced at Gypsumtools
- Tools can be quickly replaced if broken
- No middleman, less waiting times
